February 2021

Calumet Public School District #132

To All Parents/Guardians:

We will have 2 holidays this month. I hope that all families plan some educational activities with their children on both holidays. It is imperative that our students excel and do their very best every day. Keep them reading and studying their math skills. Additionally, quiz them on topics they have been studying. Thank you.

For interesting/important information, make sure to check out our website daily at www.sd132.org
