October 2020

Calumet Public School District #132

To All Parents/Guardians:

Thank you for making sure that your children are logging in virtually on time each day. It is imperative that they do not miss a minute of instruction. Friday, October 23rd marks the end of the First Quarter of School. Please talk to your children about what they are learning and how the year is going for them. Hope you are able to attend our virtual Hispanic Heritage Celebration on Friday, October 16, 2020. It will be a wonderful evening!

For interesting/important information, make sure to check out our website daily at www.sd132.org
