### **To All Staff:**

I am thankful and proud of the work you do as an educator to help educate the students at District 132. During this time, it is so important to lift and encourage others when they are down. To provide faith instead of fear. To provide strong will instead of worry. I want to remind you that as Staff Members, a child will smile because of all of your hard work. Become even more confident and calm than ever before. We have so much to be proud of. Thank you so much for all that you do!
