

THE COMMUNICATOR

Bulletin from the Superintendent

Dr. Elizabeth H. Reynolds

September 2020

Calumet Public School District #132

To All Staff:

The 2020 - 2021 School Year has gotten off to a great start! To ensure the safety of our students, we have started off our school year with our students learning remotely. Our students deserve our best. Our students will always be our number one priority. We have a great responsibility and I know you do not take that responsibility lightly. With that in mind, we are looking forward to seeing our teachers back in the classrooms teaching virtually on Tuesday, September 8, 2020. Thank you for giving your best to teach our children and your dedication to move our vision and mission forward. I certainly appreciate your preparation over the summer, and your attendance and participation at our Staff Institute. Open Houses will be held this month and I trust that you are preparing for an informative evening with parents. Please join me in looking forward to a rewarding and productive year!

For interesting/important information, make sure to check out our website daily at www.sd132.org
