

FOIA Request

From: Katherine Smyser

Request:

- 1) Does Calumet Public SD 132 currently have any leases or agreements with telecommunications providers for cellular antennae and/or towers installed by the provider on your school property?

- 2) If so, I would like copies of all current lease agreements, including documents showing:
 - a. the location(s) of all cellular antennae and/or towers on Calumet Public SD 132's school property, and
 - b. the amount paid to the school district each year by the telecommunications company.

If you don't lease any of your school property to telecommunications providers for their towers or antennae, I would appreciate it if you could send me a quick e-mail reply, just letting me know that.

Response:

I have been informed that our District does not have any leases or agreements with telecommunications providers for cellular antennae and/or towers installed by the provider on our school property. If you need anything else, please let me now.
