### **To All Parents/Guardians:**

I hope you enjoyed the holiday season. As we kick off the New Year with remote learning, I want to thank you for your patience and diligence in helping your child succeed. We certainly understand that this school year has been exceptionally difficult for our students. As always, we will continue to give our students the very best we can. The adversity we are enduring now will make us stronger, and we thank you for your strength and courage throughout this school year. Please continue to encourage your child to stay engaged with their virtual learning by not giving up. It's also vital to celebrate their successes as they move forward. We will look forward to a very productive end of this school year, and we know that better things are ahead of us in the 2021 school year! Please be reminded that if you have any questions or concerns, you can contact your child's teacher, principal, or my office at 708-388-8920, ext. 4844. **School resumes on Wednesday, January 6, 2021.**
