### **To All Parents/Guardians:**

We will kick off the first week of April with Spring Break. It will be a great time for extra visits to the library, museums and fun educational activities. I certainly hope that you and your children enjoy Spring Break. Be reminded that your children will have assignments over the Spring Break. Please encourage extra reading and attention to math facts. If your children need assistance with their assignments or computer devices over the break, please do not hesitate to contact the school district. We are here to assist. We do not want to lose momentum as teaching and learning will continue through the last hour of school!
